

no assurance can be given that the currency hedging transactions will be successful.

- **Derivatives Risk.** A derivative may not perform as expected and may create losses greater than the cost of the derivative.
- **Leverage Risk.** The Fund uses derivatives for leverage, which makes it more sensitive to certain market movements and may cause above-average volatility and risk of loss.
- **Discretionary Management Risk.** The discretionary management style applied to the Fund relies on anticipating various market developments and/or security selection. There is a risk that at any given time the Fund may not be invested in the highest performing markets or securities. The Fund's Net Asset Value may also decline.

- **Liquidity Risk.** Liquidity could be impaired by an inability to access sources of financing, an inability to sell assets or unforeseen outflows of cash or violations of broker terms which may arise due to circumstances outside of the ICAV's control. The ability to sell assets may be impaired if other market participants are seeking to sell similar assets at the same time.
- **Stock Connect.** There are risks linked with dealing in China-A Shares via Stock Connect, including but not limited to risks associated with quota limitations, the risks of securities being recalled from its scope which may affect liquidity of the Fund, risks associated with local rules that may for example affect share prices and changes to such rules.

Please see the section entitled Risk Factors of the Prospectus where full details of all of the risks of the Fund are disclosed.

## CHARGES

The charges you pay are used to pay the costs of running the Fund including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	Charges taken from the Fund over a year	Charges taken from the Fund under certain specific conditions
Entry Charge / Exit Charge 0.00%	Ongoing charges 1.00%	Performance Fee 0.00%

- An **Anti-Dilution Levy** or an **Anti-Dilution Adjustment** may be imposed to cover dealing and other costs in the event of receipt of net subscriptions or redemption requests.
- The entry and exit charges shown are maximum figures. In some cases you might pay less – you can find this out from your financial adviser.
- There will be no **Exchange Charge**
- The ongoing **charges** figure is based on expenses for a financial year. This figure may vary from year to year. It excludes:
  - Performance fees;
  - Portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling units in another collective investment scheme.

For more information about charges, please refer to the Fees and Expenses section of the Prospectus.

## PRACTICAL INFORMATION

- An ICAV is an umbrella open-ended investment vehicle with variable capital and segregated liability between its sub-funds. This means that investors have no claims over the assets of a sub-fund in which they do not own shares. This document describes a share class of a sub-fund of the ICAV and the Prospectus and periodic reports are prepared for the entire ICAV. A Supplement is prepared for each sub-fund. There is currently one other sub-fund in the ICAV.
- Please note that the tax laws of Ireland may impact your own tax position. You are advised to seek professional tax advice.
- You may be able to convert some or all of your shares into other shares, subject to your eligibility and by giving prior notification. More specific information about the other share classes of the Fund is available in the Prospectus. Information on the specific classes available for sale in your particular jurisdiction/residence is available from your financial advisor.
- The Depositary is RBC Investor Services Bank S.A., Dublin Branch.
- Copies of the Prospectus and the most recent annual and half-yearly reports in English may be obtained free of charge from the Fund
